

Parent Name: _____ Phone Number: _____

Email: _____

We are asking each parent to volunteer for AT LEAST one event during the course of the school year. There are MANY opportunities for the parents to be involved with the FSO. In order to help you find appropriate opportunities, we've organized our activities into categories based on schedules and time commitments. Either parent is encouraged to volunteer. If you have any special talents or interests that you can share with the students, please include them on this form. (Dates are tentative and subject to change).
