Weekly Seahawk Updates:

- Ask your child about the Splash Cash! As our school moves towards becoming a PBIS school (Positive Behavior Intervention Strategies), students are able to use their Splash Cash towards various rewards. PBIS begins by using extrinsic motivators to help students develop intrinsic motivation. Chat with your student. Each week, we will release a bit more information to share the steps we are taking at school. Check out the Splash Cash incentives chart.
- Please make sure to sign up to be approved as a volunteer in our school. You can complete the process online. ALL CHAPERONES for field trips must be approved, AT LEAST, 2 weeks prior to the field trip. We would encourage you to have any grandparents or others who may participate as a chaperone at any time during the year to complete the process now.
- Interims for 1st Quarter will be available on HAC today. Please take the time to review them with your student. Contact the office if you need your HAC information by sending a note with your student requesting your credentials.
- We are requesting sponsors for clubs that parents and staff are willing to run. Club sponsors must be approved volunteers. See the attached form.
- Doctor's rating scales or forms should be sent to Mrs. Tompkins. She will distribute them and collect for the doctor. We send/fax the scales/forms directly to the doctor.
- Destination Imagination is a program that allows teams to problem solve and prepare for facing challenges in the ever changing world. SES would like to have a team but we would need parent volunteers to coach. Please review the program at <https://www.destinationimagination.org/mission-vision/> and email Mrs. Kasulke if you would be interested in leading a team.
